

TRUSTED • PROVEN • EFFECTIVE

# DIGITAL SIGNATURES

Go paperless with WinAir, storing all of your electronically signed documentation digitally. Digital Signatures provides the ability for Mechanics and Inspectors to electronically sign-off on maintenance tasks and job completion.

Digital Signatures creates a unique digital record in WinAir leveraging a secure user verification method. This process safeguards against inaccurate data and increases safety through validation, ensuring data integrity.

**GRANT ACCESS**  
TO USERS IN PERMISSIONS

**USER AUTHENTICATES**  
COMPLETION OF WORK

**ELECTRONICALLY**  
STORED IN WINAIR

**GO**  
PAPERLESS
